The meeting having been opened by the President, Dr. J. D. O'Donnell briefly explained that he had asked the Vice-President to call a meeting in order to consider the advisability of amending the definition "Sanitary Officer" as contained in clause 5, section 1, and clauses 1 and 2 of section IX of the Sanitary Rules under the Mines Regulation.

Dr. O'Donnell explained that in view of the out break of cholera on the Fields and the threatening re crudescence of plague the Mining Board consider it advisable that the position of the Chief Medical Officer, his Assistants, and their Sanitary staff should be recognized as Sanitary Officers for the purpose of carrying out the Rules of the Sanitary Board on the Field, and he further stated that, as the rules now stood, his assistants, and his Sanitary staff were not Sanitary Officers within the meaning of clause 5, section 1, and he explained the grave inconvenience of such a position.

He also asked as an immediate improvement of the position that he should himself be empowered as a Sanitary Officer under the existing clause 5, section 1.

After a careful consideration of these proposals and the suggested amendments, the Board unanimously passed the following Resolutions :—

I. That clause 5 of section 1 be amended as follows :—

"The expression 'Sanitary Officer' used in these rules, means an officer either of the Sanitary Board, or under the authority of the Chief Medical Officer of the Mining Board, not below the grade of a Sanitary Inspector or Sanitary Overseer, who has been specially or generally empowered as such by the Sanitary Board under these rules."

II. That clause 1, section IX, be amended as follows :—

"Every person shall be bound to give immediate information to the nearest Magistrate, Sanitary Officer, Station House Officer—Head Constable, or Medical Officer of the Government or of the Mining Board, not below the grade of Hospital Assistant or, in the case of persons living in villages in the area under the Sanitary Board of Kolar Gold Fields, to the patel of their village, of any case of infectious or contagious disease or of death from such disease coming to his knowledge."

III. That to clause 1, section IX, a sub-clause be added as follows :—

1 A. "*During an Epidemic* of any infectious or contagious disease, any householder or private medical practitioner who may have a knowledge of an illness in which symptoms of the prevailing infectious or contagious disease are exhibited, or of a death likely to be due to such prevalent epidemic sickness, shall be bound to give immediate information of such illness or death to one or other of the authorities mentioned in the preceding clause."

IV. That in the event of the amendment to clause 5, section 1, being approved by Government, no amendment to clause 2, section IX, will be needed as the matter can then be dealt with by the Sanitary Board.

V. That it is most necessary for the efficient carrying out of these rules in the Mining Camps, that the Chief Medical Officer for the time being of the Mining Board should be a Sanitary Officer for the purposes of these rules, and that therefore under section I, clause 5, of the rules, the Sanitary Board hereby empower the Chief Medical Officer for the time being of the Mining Board to be a Sanitary Officer for the purposes of these rules.

R. B. PLUMER, for *President*.

BANGALORE CITY MUNICIPALITY.

Notification dated 24th September 1903.

The undermentioned houses which were declared to be in a dangerous condition have, in accordance with Section 130 of the Municipal Regulation, been demolished and the materials thereof sold by public auction. The sale proceeds after deducting the cost of demolition etc., are kept in deposit. Persons claiming the amount are requested to apply to the undersigned with a certificate of title within six months from date.

Serial No.	No. of Division.	Name of the street.	Number of the house.	Amount of sale.	Amount held in deposit for return to claimants.
				Rs. a. p.	Rs. a. p.
1	III	Talakad Subba Rao's street, Aralepete ...	1	14 13 0	9 8 6
2	III	Venkatachaliah's lane in Siddicutta ...	10	37 0 0	29 14 9

4	VI	Koracharapalya	44	12 3 0	1 8 6

Notice dated the 10th October 1903.

Applications are invited up to 31st October 1903 for a Sub-Overseer's post in this Municipality on a salary of Rs. 25+15 (horse allowance). Candidates must have passed the Sub-Overseer's Test of the Madras Engineering College. Those who do not know how to write and read Kanarese manuscripts and who cannot ride need not apply.

Notice dated the 10th October 1903.

The public are hereby informed that inoculation against Plague with Haffkin's Prophylactic will be performed with absolute safety at the Victoria Hospital, Government Eye-Infirmary and the Maternity Hospital on all days between 7 and 10 A. M. and 4 and 5 P. M.

Those that are anxious to protect themselves by inoculation during the current epidemic may apply to the Medical officers in charge.

Notice dated 12th October 1903.

Notice is hereby given that sealed tenders will be received at the City Municipal office, Bangalore, for the construction of a sheep slaughter-house in the Bangalore City up to 31st October 1903. An approximate estimate of the quantities and items of work to be carried out is given below. The work should be completed within six months from the date of acceptance of the tender.

2. Plans and detailed estimate and conditions may be seen in the Municipal Executive Engineer's office during office hours.

3. A statement in the form given below showing the rates at which the different items specified will be executed should accompany the tender.

4. Tenders must be accompanied by a deposit of Rs. 200 (in cash or currency notes) as earnest money, and be superscribed "Tender for constructing a Sheep Slaughter-house in Bangalore City."

5. The acceptance of any tender rests with the President, City Municipal Commission, Bangalore, who does not bind himself to accept the lowest or any tender or assign reasons for the rejection of any tender.

6. The name of the successful tenderer will be posted on the notice board in the Municipal office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. The successful tenderer will be required to execute a bond within a week after the acceptance of his tender. In default, the tenderer will forfeit his earnest money and his tender will be considered cancelled.

8. The earnest money of the rejected tenderers will be returned on the acceptance of one of the tenders.
